## Dear Alumnus,

We hope that the time you have spent at KPMG has been pleasant and useful for you. Even though you may be leaving us we would like to stay in touch with you and welcome you as a member of the KPMG Alumni Club.

### What is the KPMG Alumni Club?

KPMG's Alumni programme has been established with the objective of maintaining contact with our former colleagues. This continuously growing and developing network of professionals is useful and valuable, both to Club members and to KPMG in Hungary. Anyone who has ever worked for KPMG can join the Club, which already has a membership totalling more than 1,000 people. In addition to helping you stay in touch with your former KPMG colleagues our Alumni community gives you access to invaluable resources and keeps you up to date with what's going on at KPMG.

*Regardless of where you live or work, our former colleagues will always be esteemed and important parts of the KPMG community.*

Welcome to the KPMG Alumni Club.

## What benefits does the KPMG Alumni Club offer?

There are numerous benefits for Club members:

### 1. AlumNews newsletter

Our quarterly published AlumNews, distributed by e-mail to Club members, contains news on KPMG, current and former colleagues and our activities, similarly to our internal Staff Stuff newsletter. We encourage members like you to contribute to this newsletter by offering to be an interviewee or by sending us interesting news or professional articles.

### 2. Access to KPMG's professional knowledge resources – industry newsletters

In the interests of your professional life we trust that you will be interested in KPMG publications that are relevant to your current business or position. Our latest publications are distributed via regular industry e-newsletters and you can also receive hardcopies of them upon request. Should you wish to receive one or more of our industry newsletters, please let us know which of the following sectors you are interested in:

- Automotive
- Consumer and Industrial Markets (retail, manufacturing)
- Energy
- Financial Services (Banking, Insurance, Investments)
- Information and technology (IT, Telecoms)

### 3. Information on KPMG-BME Academy courses

There's no doubt that you are continuously striving to keep your professional competencies updated and to develop your skills via regular continuing education. Our regular newsletters on KPMG-BME Academy trainings and courses aim to help Club members achieve their development goals.

### 4. 20% discount

Club members are entitled to a discount of 20% off of participation fees on KPMG seminars, conferences and most KPMG-BME Academy courses. One only has to indicate during registration that he/she is a member of the Alumni Club.

### 5. KPMG events

In addition to our professional events we also organise more informal events to keep in contact with each other. All former and current colleagues are invited to our annual *Staff and Alumni Summer Party* every June.

The purpose of the autumn *Alumni Club Business Dinner* is to strengthen relationships with decision makers who are former KPMG employees.

### 6. Participation in our CR actions

KPMG is committed to Corporate Responsibility, contributing both with money and labour to various projects. You are welcome to join even our CR action days or the Terry Fox Run as well as other initiatives.

### 7. Alumni Point Collecting Programme

In our Point Collecting Programme all Club members gain points by:

- participating in a KPMG event (conference, seminar, Staff and Alumni Summer Party)
- participating in a KPMG-BME Academy course
- participating in a CR action
- recommending a new colleague successfully through the Alumni Referral Programme
- contributing to the content of AlumNews, or
- helping our work by filling out an Alumni questionnaire.

Points collected are tallied before the Staff and Alumni Summer Party and those with the highest number of points receive prizes at the event.
