

A photograph of a man and a woman in business attire sitting at a desk, looking at a laptop screen. The man is on the left, wearing a light-colored shirt and a patterned tie. The woman is on the right, wearing a white blazer and glasses. They are both smiling and appear to be in a professional setting with a window in the background showing a cloudy sky.

KPMG Accounting Helpdesk

AUDIT

Prompt accounting advisory services

- Have you ever been in a situation when you really needed help in solving an accounting problem?
- Have you ever needed confirmation from someone that you are interpreting a specific section of the Act on Accounting appropriately?
- Have you ever felt stuck in your work, unable to go forward before clarifying an accounting issue?

If your answer to any of the above questions is yes, and you need help quickly in the maze of accounting, subscribe to our new service, the KPMG Accounting Helpdesk.

Helpdesk services

The KPMG Accounting Helpdesk is an accounting advisory service:

- Which provides guidance through prompt answers on issues relating to the Hungarian Act on Accounting and Hungarian accounting practice;
- Includes the interpretation of accounting provisions as well as the answering of current issues arising in practice during daily bookkeeping activities.

Who can use the Helpdesk service?

The Helpdesk service is primarily provided for companies whose registered auditor is KPMG Hungária Kft. Our aim is to make the range of our services even more comprehensive with this service, which is not available on the market.

Operations of the Helpdesk

The Helpdesk service only covers issues that can be answered with at most one hour of advisory work. KPMG advisers are available to take your questions between 10am and 3pm each working day. Questions may be raised by phone or in writing (e-mail). KPMG undertakes to give a verbal response to any question on the same working day, if possible, or on the following day at the latest.

What if a complicated issue arises?

The response will be worked out based on an agreement for a separate fee if:

- the issue raised may not be answered with 1 hour of advisory work, or
- the contribution of another adviser (e.g. legal adviser) is necessary, or
- you would like to receive a response in writing.

Benefits

- The monthly flat fee for the service is only a fraction of the salary of a qualified accounting expert.
- The service is available every working day.
- You can receive strategies and quick answers within 24 hours.
- The professionals available have extensive experience in the field of accounting advisory services.
- You may contact KPMG's accounting advisers directly.
- Accounting training opportunities will be available on a continuous basis.
- You will have the chance to identify evaluation-related business opportunities that are the most suitable for your company's strategic goals.

Quality assurance

- the staff members providing the service on behalf of KPMG are registered auditors with extensive experience,
- communication will be through the contact person designated by you,
- questions and responses will be recorded and kept for 2 years,
- the service may only be used with the client ID code issued by KPMG,
- questions and responses may not be disclosed to third parties.
